The Essential 100 Challenge – a message from TJ

The Essential 100 Challenge that we have embarked on as a Church is designed to share with you the story of God, your place in God's story, and to offer you a way, through the love and mercy of Jesus, to connect with God's story.

The Essential 100 Challenge is composed of two parts. One part is a daily reading (5 a week) from the Bible along with a brief devotional (The Essential Bible Guide which is available for you to purchase on Sunday morning) that will take you through carefully selected short Bible passages. We will read 50 passages from the Old Testament and 50 passages from the New Testament so that you will gain a big picture of the story of God. The second part occurs on Sunday morning when we will teach and focus on one of the passages that you read during the preceding week. You can download any of our Sunday morning teachings by going to the 'Sunday Messages' page of our web-site or via iTunes.

The gospel of Jesus Christ is an amazing and compelling story that began long before Jesus was born in Bethlehem and will continue until he comes to earth again. I want you to know and consider the whole story, the life-giving story of God, and then I want you to know how to experience a real-time connection with this story. In fact, that is the mission of our Church – to be a place where faith intersects life.
